ABSTRAK

Selama kegiatan PPL berlangsung setiap tahun, belum diketahui tanggapan tentang tingkat kepuasan sekolah khususnya para guru yang pernah membimbing mahasiswa PPL prodi pendidikan teknik elektronika di SMK se-kotamadya Yogyakarta. Penelitian ini bertujuan untuk mengetahui tingkat kepuasan guru terhadap kompetensi PPL mahasiswa prodi pendidikan teknik elektronika Universitas Negeri Yogyakarta di sekolah menengah kejuruan se-kotamadya Yogyakarta.

Penelitian ini merupakan penelitian deskriptif kuantitatif menggunakan metode survey dengan teknik pengambilan datanya menggunakan angket. Populasi dalam penelitian ini adalah seluruh guru elektronika dan informatika di Sekolah Menengah Kejuruan di Kotamadya Yogyakarta yang berjumlah 34 responden, dan seluruh anggota populasi dijadikan subyek penelitian. Validitas yang digunakan adalah *content validity* dengan bantuan *expert judgement*. Teknik analisis data menggunakan analisis deskriptif yang dituangkan dalam bentuk persentase tentang tingkat kepuasan guru terhadap kompetensi PPL mahasiswa prodi pendidikan teknik elektronika Universitas Negeri Yogyakarta di sekolah menengah kejuruan se-kotamadya Yogyakarta.

Hasil penelitian ini menunjukkan bahwa tingkat kepuasan guru terhadap kompetensi PPL mahasiswa prodi pendidikan teknik elektronika Universitas Negeri Yogyakarta di sekolah menengah kejuruan se-kotamadya Yogyakarta adalah sedang. Secara rinci, sebanyak 0 orang (0%) menyatakan rendah sekali, 3 orang (8,82%) menyatakan rendah, 17 orang (50,00%) menyatakan sedang, 13 orang (38,24%) menyatakan tinggi, dan 1 orang (2,94%) menyatakan tinggi sekali. Frekuensi terbanyak sebesar 50,00% terletak pada interval 90 – 110, sehingga tingkat kepuasan guru elektronika terhadap mahasiswa PPL prodi pendidikan teknik elektronika Universitas Negeri Yogyakarta di sekolah menengah kejuruan se-kotamadya Yogyakarta secara keseluruhan adalah sedang.

Kata kunci : kepuasan guru, kompetensi PPL mahasiswa, SMK kotamadya Yogyakarta

**TEACHER'S SATISFACTION LEVEL OF PRACTICAL STUDENT'S
COMPETENCE OF ELECTRONICS ENGINEERING EDUCATION
DEPARTEMENT YOGYAKARTA STATE UNIVERSITY AT VOCATIONAL
SCHOOL IN YOGYAKARTA MUNICIPALITY**

ABSTRACT

During practical student's (PPL) activities take place every year, a feedback on the level of satisfaction of the school was still unknown, especially the teachers satisfaction who have ever guided PPL students of electronics engineering education department at Vocational School in Yogyakarta municipality. This study aimed to determine teachers satisfaction level toward PPL students competence of electronics engineering education department Yogyakarta State University at vocational school in Yogyakarta municipality.

This study is descriptive quantitative which used survey method. Besides, it used questionnaire as data retrieval techniques. The population in this study were all electronics and informatics teachers at Vocational School in the Yogyakarta Municipality, they are 34 respondents, and all members of the population used as research subjects. The validity used is 'content validity' with the help of 'expert judgment'. Technique of Data Analysis used is descriptive analysis which is depicted in the form of a percentage of teachers satisfaction level toward the competence of PPL students electronics engineering education department of the Yogyakarta State University at vocational schools in Yogyakarta municipality.

The results of this study indicate that the level of teachers satisfaction toward PPL student competence of electronics engineering education department, Yogyakarta State University at vocational school in Yogyakarta municipality is moderate. In detail, there is no one (0 %) expressed very low, 3 people (8.82 %) expressed low, 17 people (50.00 %) said it was moderate, 13 people (38.24 %) expressed high, and 1 person (2.94%) expressed very high. Highest frequency which is 50.00 % lies in the interval 90-110 , so the level of teachers satisfaction of the PPL student electronics electronics engineering department of the Yogyakarta State University at vocational school in Yogyakarta municipality as a whole is moderate.

Keywords: teacher satisfaction, the practical competence student, vocational school in Yogyakarta municipality
